RETURN COSTS

The foreigner must have the return ticket or funds to cover return travel costs to the country of origin or residence or cost of transit to a third country which grants the travel permit, in the amount which is equivalent to the cost of the ticket, on the basis of which the foreigner arrived on the territory of the Republic of Poland, which is however not lower than:

1. PLN 200, if he/she arrived from the country which is bordering on the Republic of Poland,
2. PLN 500, if he/she arrived from EU member state other than specified in item 1,
3. PLN 2,500, if he/she arrived from the country which is not the EU member
 - or the equivalent of these amounts in foreign currencies.

The foreigner who arrived on the territory of the Republic of Poland or resides in Poland along with dependant family members must keep the return ticket for each family member or have funds to cover return travel costs to the country of origin or residence or cost of transit to a third country which grants the travel permit, in the equivalent amount to tickets cost on the basis of which the foreigner and dependent family members arrived on the territory of the Republic of Poland, which is however not lower than amounts referred to above or the equivalent of these amounts in foreign currencies.
